

Special Olympics

We are excited about starting our Special Olympics journey here at Aransas Pass High School! This year we will be participating in bowling, basketball, aquatics, and Spring Games (track). The bowling alley here in Aransas Pass was severely damaged during Hurricane Harvey last year and it is closed for good. This year we had to find a place to practice and we were blessed to hold our practices at the Naval Air Station in Corpus Christi.

For our first event held on Saturday October 27th, our Special Olympics Bowling team competed with surrounding school districts in the area at Bowlero Bowling Alley in Corpus Christi. Our AP Panther athletes did an amazing job. The athletes are wearing their medals and ribbons with Panther Pride. It is always a joy to see their smiling faces.

We are ready to Rock and Roll with our upcoming events. Come out and support our AP Panthers Special Olympic Team! The basketball competition will be held at the West Oso High School on March 2, 2019. The Spring Games (track) will be held at the Flour Bluff High School on April 7, 2019. The Aquatics competition will be determined.

Thank you,

The Special Olympics Coaches

Ms. Sara Bowers

Mrs. Joyce Morgan
